Story

S: Woo-hoo! It's story time!

K: Today's story is about spending a day with three princesses. Once upon a time there was a prince who wanted to get married.

(S) PRINCE: I will only marry a real princess!

K: One day, a girl with a crown on her head came to the palace.

(K) GIRL 1: I am a princess and I came to visit you.

(S) PRINCE: It is almost noon, stay for lunch.

K: They ate lunch together and then went for an afternoon walk. When they came back, there was another girl with a crown on her head.

(K) GIRL 2: I am a princess and I came to visit you.

(S) PRINCE: It is almost evening, stay for dinner with us.

K: After dinner, they played games, danced and laughed. Suddenly, a girl came in. She was beautiful but her clothes were torn.

(K) GIRL 3: I am a princess and I am lost.

(S) PRINCE: It is almost bedtime, stay overnight. We will help you tomorrow.

K: The prince liked all three girls, but how to find out if they were real princesses?

(S) PRINCE: Bring me three little peas!

K: He put one pea on each of the princesses' beds, then covered them with twenty soft mattresses. Everyone said goodnight and went to bed. In the morning, they got up and ate breakfast.

(S) PRINCE: How did you sleep?

K: The first and second princess said they slept very well. But the third princess

(K) GIRL 3: I couldn't sleep at all. My bed was so uncomfortable, I have bruises all over!

K: The prince smiled. The third girl felt the hard pea under all the mattresses. She was a real princess! So, they got married and lived happily ever after.
